P. W. D. Work Shops
Bangalore 11th Sep. 1914

Dear Sir.

1 With reference to your D. O. of the 6th inst. I asked Mr. Rangasamy Iyengar what he thought regarding the disposal of the Design S. H. P. Car.

2 He said that the Car was bought in July 1906 and it was high time we had a new pattern Car in its stead. But as regards its usefulness if it was still kept on, he could not say anything certain;

(3

Bangalore
18th September 1914

Dear Sir,

5. In continuation of my last letter regarding the disposal of the Dewan Car, I have to add that since some of the parts of the Car seem to be in a poor state the upset price for the Car, if it should be auctioned may be fixed at Rs 500/- instead of Rs 750/- as was previously thought fit. The favour of an early disposal of the question is requested.

Yours Sincerely

J M Thore

S. Hiriyannah Esqr.
M.A., B.L
Private Secretary to the Dewan of Mysore.

(4

Submitted to His Highness.

6) The Executive Engineer, Water Supply and Stores Division, reports that the small De Dion car of 8 H.P. placed at the disposal of the Dewan, has become old and unserviceable and that it may be sold by public auction at an upset price of R^{s}. 500. The car which was purchased in 1906, has done very good service but as the parts are stated to be worn out, it is not considered worthwhile spending more money in repairing or renewing them. It is therefore proposed to sell it as suggested by the Executive Engineer and to credit the proceeds to Government.

7) 2. I solicit His Higness's sanction to the proposal.

Enclosure No.

Sir,

Adverting to Government order No. G.4903-05/G.H.133-14-11 dated the 13th November 1914 regarding the sale of the Small De-Dion Motor Car of 8 H.P., I have the honor to report that arrangements have been made with Messrs: A.Narayanaswami Moodliar & Sons., Bangalore Agency, to auction the car noted above and also the spare Waggonette body of the Fiat Car. Delay was due to the time taken in disposing of the White Car which has since been decided by the Government to handover to the Educational Department for the use of the Mechanical Engineering School.

I have the honor to be,

Sir,

Your most obedient servant,

Sanitary Engineer,
Water Supply & Stores Division.

SECTION Gen: Mis To
FILE NO. 123-14
35

The Secretary to the Government
of His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

With reference to the correspondence ending with letter No.377 dated the 13th February 1915, in connection with the disposal of the 8 H.P.Dedian car and the Waggonatte body, by public auction, I have the honor to forward herewith copy of letter No. 548 dated the 28th June last received from the Sanitary Engineer in charge of Water Supply & Stores Division together with its enclosure in original, stating that the -- highest bid in the auction was only Rs.200/- against the up-set price of Rs.500/- fixed and requesting ~~the~~ to reduce the latter price to the extent of the highest bid viz. Rs.200/-.

2. If the Government are prepared to do so I would support the Sanitary Engineer's proposal to purchase the car for use in the Workshops.

I have the honor to be,
Sir,
Your most obedient servant,

V Rangasamayya
Superintending Engineer,
Southern Circle.

Letter No. 548 dated the 28th June 1915, from the Sanitary Engineer, Water Supply & Stores Division, Bangalore, to the Superintending Engineer, Southern Circle, Bangalore.

With reference to your No. 5142 dated the 19th June 1915 requesting to report the action taken in the matter of the ~~sale~~ sale of the Dedion car, I have the honor to inform you as follows:

In December 1914 the car was placed in the hands of the Bangalore Agency for being sold; and they having failed to sell the car for an upset price of Rs.500/- sanctioned in Government order No. G.4903-05/G.M.123-14-11 dated the 13th November 1914 Messrs. Whitney Coates & Co., were requested to dispose of the same as per your No.2500 dated31-3-1915.

This firm at first tried to get some offers for it, but being unable to do so, they brought the car up to auction on the 11th instant, and it seems no bidders came on that day. They ~~nowwrite~~ now write to say(vide letter enclosed) that the upset price of the car is too high and that the highest bid was only Rs.200/- and as such they suggest the reduction of the upset price. But as this requires sanction of Government, the have been asked in my No. 1669 dated the 25th June 1915 to send the car to the workshops pending orders of the Governmen in the matter.

Considering that till now the highest bid is only Rs. 200/- I request that Government may be requested to reduce the upset price to that amount.

In this connection I beg to state that if the Government are pleased to reduce the amount as suggested ~~as~~ above the car may be purchased to the workshops where the engine could be attached to the 2" pump manufactured in the shops and thus be made a pumping unit to be utilised on emergencies.

Dear Sir,

We write to enquire from you that there were no bidders at the recent auction sale of the Ford Car, Waggonette body, and old motor Car Covers.

May we request you to put the article up again on Saturday the 19th instant?

We are afraid your upset prices are too high. Times are bad now, so we consider a reduction is necessary to effect a sale.

P.S. The highest offer received at the auction sale was Rs 200/- for the Car. W.C. Co.
